**DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS
FOR
VILLAS AT KINGS GATE, A PHASE TOWNHOME COMMUNITY**

THIS DECLARATION is made this 2nd day of November, 2009 by Kings Gate Homes, LLC, a Florida Limited Liability Company, hereinafter referred to as the "Declarant".

PREMISES:

WHEREAS, Declarant is the owner of the real property described in Exhibit "A" to this Declaration, and desires to create thereon a residential neighborhood of townhomes. If all phases are developed and submitted as a part of the townhome community, the Developer contemplates creating and developing up to Two Hundred, Seventy-Five (275) residential multi-phase townhome villa-type units. Initially, the Developer commits only to developing Phase I, which shall consist of Fourteen (14) Units at this time. The Developer reserves the unilateral right to amend this Declaration and to annex additional lands, if necessary and develop additional Units as part of this Declaration and this community. Under the Developer's current development plans the Developer intends to create Two (2) Units per Building, except that one or more Unit(s) may consist of their own detached Buildings.

WHEREAS, Declarant desires to provide for the preservation of the values and amenities in the Neighborhood, and to create a corporate entity to which will be delegated and assigned the powers of administering and enforcing this Declaration of Covenants, Conditions, and Restrictions, maintaining the Neighborhood Common Areas and insuring the Properties, and collecting and disbursing the assessments and charges hereinafter created; and

WHEREAS, Declarant has created, under the laws of the State of Florida, a corporation not for profit known as Villas at Kings Gate Association, Inc., for the purpose of exercising the aforesaid functions;

NOW, THEREFORE, the Declarant declares that the real property described in Exhibit "A" to this Declaration, as it may be amended from time to time, shall be held, transferred, sold, conveyed and

occupied subject to the covenants, restrictions, easements, charges and liens hereinafter set forth. All provisions of this Declaration shall be equitable servitudes which run with the land, and which bind and inure to the benefit of all present and future owners of Lots and Villas. The acquisition of any ownership interest in the Properties, or the lease, occupancy, or use of any portion of a Villa, shall constitute an acceptance and ratification of all provisions of this Declaration as amended from time to time, and indicate agreement to be bound by its terms.

1. DEFINITIONS. Certain words and phrases used in this Declaration and its recorded exhibits shall have the definitions, if any, specified in the Declaration of Covenants, Conditions and Restrictions for Kings Gate, as originally recorded in the Official Records of Charlotte County, Florida, in Book 1584, at Pages 1060-1197, as the same is amended from time to time, or, if different, the meanings stated below, unless the context clearly requires otherwise.

1.8 "Governing Documents" means the Master Declaration, and the Articles of Incorporation and Bylaws of the Master Association, as well as this Declaration, and the Articles of Incorporation and Bylaws of the Association. The term also refers to any holder of a mortgage against a Lot or Living Unit which mortgage is guaranteed or insured (as evidenced by a recorded instrument) by the Federal Housing Administration, the Veterans Administration, any agency of the United States of America or by any other public or private agency engaged in the business of purchasing, guaranteeing or insuring residential mortgage loans, and their successors and assigns. 1.23 **"Service Charge"** means a fee or charge against one or more owners, Lots or Living Units for any service, material or combination thereof which may be provided by the Neighborhood Association for the use and benefit of the owner on a voluntary basis, such as contracting in bulk for repairs, services, materials or maintenance. The amount paid or incurred by the Association on behalf of the owners accepting or receiving such material or service shall be a service charge against the Lots or Living Units so benefitted. The owner(s) are deemed to agree to such assessment by subscribing, requesting, or accepting the material or service.

1.24 **"Temporary"** or **"Temporarily"** means not more than thirty (30) days in any period of six (6) consecutive months.

VILLAS AT KINGS GATE - DECLARATION

1.26 "Villas Documents" means this Declaration and all recorded exhibits hereto, as the same may be amended from time to time.

2. CONTINUING DEVELOPMENT. This Neighborhood is being developed by the Declarant into Lots intended for "zero lot line" cluster housing. This is not a Condominium. Rather, this is a townhome product intended to be fee simple. If all phases are submitted to this Declaration and developed, all two hundred, seventy-four (274) of the Villa residences shall be conjoined and constructed together in pairs. The remaining Unit shall consist of its own detached building. Other areas of Kings Gate will contain other types of residential development, and may be under construction for an extended time. Incident to the development process, the quiet enjoyment of the properties may be unavoidably interfered with to some extent by construction and sales operations. From time to time, Declarant and others may present to the public certain renderings, plans, and models showing possible future development of Kings Gate. Declarant does not warrant in any way the accuracy of these renderings, plans or models. They are primarily schematic and do not represent a guaranteed final development plan of Kings Gate.

2.1 Phase Declaration. The Development is being developed in phases (individually, a "Phase"). If submitted and added to this Declaration each Phase will contain lots and townhome units. The first Phase, known as "Phase I" described in Exhibit "A-1" hereto shall consist of the Land that is affected by this Declaration, i.e., Phase I of Exhibit "A". Additional Phases may be added to the Declaration. Such Phases, if constructed, will be located within the real property described in Exhibit "A". The Plot Plans and survey for each Phase are attached as Exhibit "B". Exhibit "A" contains the legal description of the land upon which the entire Development will be constructed if all Phases are submitted. Developer may make changes in the legal description of each Phase. This Declaration shall only affect the Land described in Phase I on Exhibit "A" attached hereto, and shall have no effect on any other portion of the real property described in Exhibit "A" (other than Phase I) until such real property is made subject to this Declaration by an amendment adding a Phase.

2.2 Percentage of Assessment Obligation. As, and if one or more of the additional Phases are added to the Declaration, each Unit Owner's undivided share in the common expenses, voting rights and the corresponding share of surplus, will be adjusted to reflect the increase in the number of Units in the Declaration caused by the addition of the Phase or Phases.

2.3 Voting. Section 3.1 of this Declaration provide that there will be one (1) vote per Unit. Accordingly, in the event any Phase is added, the membership in Association will be increased by the number of additional Unit Owners in the added Phase or Phases, and each Unit in the Declaration will have one (1) vote. If any Phases are not added, then the membership vote in Association will be one (1) vote per Unit for each unit within the Declaration including any Phases which were previously or subsequently added to the Declaration.

VILLAS AT KINGS GATE - DECLARATION

2.4 Method for Adding Phases. Each Phase will be added to the Declaration by an appropriate amendment to this Declaration. Amendments to the Declaration adding one (1) or more Phases to this Declaration shall not require the execution of such amendments or consents thereto by Unit Owners, mortgagees, lienors, or Association, or any other person or entity, other than Developer.

2.5 Impact of Subsequent Phases. The impact which the addition of any Phase will have upon the Declaration is as follows:

- 2.5.1 The Land within the Declaration and bound by this Declaration will be increased.
- 2.5.2 The number of units within the Declaration will be increased.
- 2.5.3 The Common Area may be increased.
- 2.5.4 Association will incur additional expenses in connection with the maintenance, repair and operation of the Declaration as increased by the addition of the Phase.
- 2.5.5 The proportionate share of the Common Expenses of each Unit will be reduced proportionately.

2.6 Reservation of Rights. Developer reserves the right not to add any Phase to the Declaration and to add Phases in an order determined by Developer. Developer reserves the right to change the types of Buildings and Units which may be added to the Declaration in any Phase. To the extent Developer modifies the types of Buildings and Units added within any Phase, Developer reserves the right to modify the plot plans attached hereto as Exhibit "B" and to construct Buildings and improvements differently than as shown on the plot plans, as may be necessary or desirable in connection with the construction of such Buildings and improvements; provided, however, that any amendment adding any Phase shall contain a plot plan showing the actual location of all Buildings and improvements actually constructed within the Phase. Developer further reserves the right to change the location of the parking areas and other improvements as may be reasonably required to serve the Buildings and Units actually constructed within any Phase, and to make changes in the legal description and/or plat plan of the Phase required to accommodate such changes or to comply with the applicable governmental requirements such as parking, density, and set-back or to correct errors, prior to the time the Phase is added to the Declaration. In any event, all Buildings added to the Declaration in any Phase will be of comparable quality of construction to the Buildings initially included in the Declaration. NOTWITHSTANDING ANYTHING CONTAINED HEREIN TO THE CONTRARY, DEVELOPER SHALL HAVE NO DUTY, OBLIGATION OR RESPONSIBILITY TO CAUSE ANY PHASE OR ITS IMPROVEMENTS TO BE CONSTRUCTED AND ADDED TO THIS DECLARATION, AND NOTHING CONTAINED HEREIN SHALL BE DEEMED A REPRESENTATION OR WARRANTY THAT ANY ADDITIONAL PHASE WILL IN FACT BE ADDED TO THIS DECLARATION.

VILLAS AT KINGS GATE - DECLARATION

3. ASSOCIATION MEMBERSHIP VOTING RIGHTS. Every owner of record legal title to a Lot or Villa Unit within the Neighborhood shall be a member of the Villas at Kings Gate Association, Inc. as further defined in Section 3.1 below. The Declarant shall hold Declarant membership as provided for in Section 3.1(B) below. Membership is appurtenant to, and may not be separated from, ownership of a Lot or Villa Unit. The rights, powers, duties and privileges of members shall be as set forth in this Declaration, and in the Articles of Incorporation and Bylaws of the Association.

3.1 Classes of Membership and Voting Rights. The Association will initially have two (2) classes of voting membership, as follows:

(A) **Class A.** Class A Members shall be all those Owners of Lots or Villa Units as defined in Article 3 above, with the exception of the Declarant (as to Declarant, as long as the Class B Membership shall exist, and thereafter, the Declarant shall be a Class A Member to the extent it would otherwise qualify). Class A Members shall be entitled to one (1) vote for each Lot or Living Unit in which they hold the interests required for membership as defined in Article 3 above.

(B) **Class B.** The Class B Member shall be Declarant. The Class B Member shall be entitled to one (1) vote, plus one hundred (100) votes for each vote entitled to be cast in the aggregate at any time and from time to time on behalf of the Class A Members. The Class B Membership shall cease and terminate when all of the Lots ultimately to be included within The Lands have been sold and conveyed by Declarant (or its affiliates) to the purchasers of the Units (i.e., Class A Members) located thereon or sooner at the sole election of Declarant, or as required by law, (whereupon the Class A Members shall be obligated to elect the Association's Board of Directors and assume control of the Association).

3.2 Articles of Incorporation. A copy of the Articles of Incorporation of the Association is attached as Exhibit "C."

3.3 Bylaws. The initial Bylaws of the Association shall be the Bylaws as attached as Exhibit "D" to this Declaration, as they are amended from time to time.

3.4 Delegation of Management. The Association may contract for the management and maintenance of the Properties and authorize a management agent to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of assessments, preparation of records, enforcement of rules, and maintenance of the Neighborhood Common Areas, with funds made available by the Association for such purposes. The Association

VILLAS AT KINGS GATE - DECLARATION

and its officers shall, however, retain at all times the powers and duties provided in the Governing Documents and Sections 720.301 through 720.402, inclusive, Florida Statutes (2006), as amended.

3.5 Board of Directors. Except as expressly otherwise provided by law or by the Villas Documents, the Association shall act through its Board of Directors and its officers, and no vote of the members shall be required. The officers and Directors of the Association have a fiduciary relationship to the members. An owner does not have the authority to act for the Association by virtue of being an owner.

3.6 Association As Owner of Lots. The Association has the power to purchase Lots and Living Units, and to acquire and hold, lease, mortgage, and convey them, by act of a majority of the Board of Directors. However, if at any time the Association owns two (2) or more Lots, it may not purchase any more Lots without the prior approval of a majority of the voting interests.

3.7 Members. Every person or entity who is a record owner of a fee simple interest in any Lot shall be a member of the Association. Membership is appurtenant to, runs with, and shall not be separated from, the real property interest upon which membership is based. The burden of notifying the Association of a change of membership shall be borne by the new member; and the Association shall not be required to recognize a change of membership until the new member furnishes satisfactory proof of ownership.

3.8 Membership Roster. The Association shall maintain a current roster of names and mailing addresses of owners and primary occupants. A copy of the up-to-date roster shall be available to any owner upon request.

3.9 Limitation on Liability. Notwithstanding the duty of the Association to maintain and repair the Neighborhood Common Areas, and certain parts of the Villas, the Association is not liable to owners for property damage, other than the cost of maintenance and repair, caused by any latent condition of the property to be maintained and repaired by the association, or caused by the elements or owners or other persons.

3.10 Powers and Duties. The powers and duties of the Association include those set forth in this Declaration, the Articles of Incorporation and the Bylaws. The Association may contract, sue, or be sued with respect to the exercise or non-exercise of its powers. If the Association has the authority to maintain a class action, the Association may be joined in an action as representative of that class with reference to litigation and disputes involving the matters for which the Association could bring a class action. Nothing herein limits any statutory or common law right of an individual owner or class of owners to bring any action which may otherwise be available.

3.11 Member Approval of Certain Litigation. Notwithstanding any other provisions of the Governing Documents, the Association must obtain the prior approval of at least seventy-five (75%)

VILLAS AT KINGS GATE - DECLARATION

percent of its voting interests before paying or obligating itself to pay legal fees to any person engaged by the Association for the purpose of commencing any lawsuit, other than for the following purposes:

- (A) the collection of assessments;
- (B) the collection of other charges which members are obligated to pay;
- (C) the enforcement of the Governing Documents;
- (D) the enforcement of the rules and regulations of the Association;
- (E) in an emergency, when waiting to obtain the approval of the members creates a substantial risk of irreparable injury to the Association or its members; or
- (F) filing a compulsory counterclaim.

3.12 Official Records. The official records of the Association shall be maintained within the state and must be open to inspection and available for photocopying by members or their authorized agents at reasonable times and places within ten (10) business days after receipt by the Association of a written request for access. This requirement may be complied with by having a copy of the official records available for inspection or copying within the development. The Association may adopt reasonable written rules governing the frequency, time, location, notice, and manner of inspections, and may impose fees to cover the costs of providing copies of the official records, including, without limitation, the costs of copying. The Association shall maintain an adequate number of copies of the recorded governing documents, to ensure their availability to members and prospective members, and may charge only its actual costs for reproducing and furnishing these documents to those persons who are entitled to receive them.

4. ASSESSMENTS. The Association has the authority to levy assessments to pay common expenses. Common expenses include the expenses of the operation, maintenance, repair, replacement, or protection of the Neighborhood Common Areas and association property, the expenses of insurance for the Association and/or Directors and officers; the costs of carrying out the powers and duties of the Association, and any other expense, whether or not included in the foregoing, designated as common expense by this Declaration or the Bylaws. If the Association enters into a contract for bulk service cable television, the cost of a duly franchised cable television service obtained pursuant to a bulk contract shall be a common expense.

4.1 Covenants to Pay Assessments. Declarant, for each Lot within the Neighborhood, hereby covenants, and each subsequent owner of a Lot (including any purchaser at a judicial sale), by

VILLAS AT KINGS GATE - DECLARATION

acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (A) the Lot's share of annual assessments based on the annual budget of common expenses adopted by the Association;
- (B) the Lot's share of special assessments for Association expenditures not provided for in the annual budget; and
- (C) any special charge against one or more Lots specifically authorized in this Declaration or the Bylaws.

Assessments and charges shall be established and collected as provided herein and in the Bylaws. The obligation to pay the assessments provided for herein commences as to each Lot on the day of the first conveyance of the Lot to an owner other than the Developer, except that no Lot shall be subject to assessment until a certificate of occupancy or like authorization has been issued by the county as to the Villa located on the Lot. The annual assessments, special assessments and special charges, together with interest, late payment fees, costs, and reasonable attorney's fees, shall be the personal obligation of the owner, his heirs, devisees, personal representatives, successors and assigns. In any conveyance of title to a Lot, voluntary or otherwise, the new owner shall be jointly and severally liable with the previous owner for all unpaid assessments and charges coming due prior to the time of such conveyance, without prejudice to the right of the new owner to recover from the previous owner any such amounts paid by the new owner. Except as provided in Section 4.3 below as to the Developer, and in Section 4.6 below as to certain persons acquiring title through foreclosure, or deed in lieu of foreclosure, of a first mortgage, no owner may be excused from the payment of assessments and charges unless all owners are similarly excused.

4.2 Share of Assessments. Each Lot and its owner(s) are liable for a share of all annual and special assessments levied by the Association, which share shall be a fraction of the whole, the numerator of which is the number "one" (1) and the denominator of which is the actual number of Lots in the Neighborhood. Initially, the denominator shall be equal to the Lots in Phase I committed to this Declaration which shall be conclusively presumed to be twenty-four (24). If additional Phases and Villas are added as anticipated, the denominator will increase by each Unit added.

4.3 Developer's Obligation to Pay Assessments and Share for Lots Owned By It. As provided under Florida Statute Section 720.308(1)(b), while the Developer is in control of the Association, it will be excused from payment of its share of the operating expenses and assessments. During this time the Developer shall instead be obligated to pay all Association expenses actually incurred which exceed assessments receivable from all other owners and other income of the Association. Such difference (if any), shall not include the cost of funding reserves for operating expenses, depreciation, capital expenditures or deferred maintenance. After this period, the Developer shall

VILLAS AT KINGS GATE - DECLARATION

have the same responsibility to pay assessments on Lots with completed Villas for which a certificate of occupancy has been issued as any other owner. Notwithstanding any term set out herein to the contrary, the Declarant, in its sole and unbridled discretion, expressly reserves the right to "opt-out" of its developer obligation, and upon submitting written notice to the Association of its decision to "opt-out", the Declarant agrees to pay assessments on all lots with completed Villas for which a Certificate of Occupancy has been issued and which are owned by Declarant as of the date the assessment accrues and which have been submitted to this Declaration. The decision as to whether the Declarant has or has not opted out of this developer obligation shall have no effect on the turnover date.

4.5 Establishment of Liens to Secure Payment. Any and all assessments and charges levied by the Association, together with interest at the highest rate allowed by law, and other costs and collection (including, but not limited to attorney's fees) are hereby declared to be a continuing lien upon the Lot and Living Unit against which each such assessment or charge is made. The lien relates back to the date of recording this Declaration, and is superior to any Homestead rights any owner may acquire. No owner may exempt himself from personal liability, or release the Lot owned by him from the liens and charges hereof by waiving the use and enjoyment of the Common Areas, or by abandoning the Villa. The lien is perfected by recording a Claim of Lien in the Public Records of the county, setting forth the amount and due date of each unpaid assessment or charge. To be valid the Claim of Lien must be signed by an officer or authorized agent of the Association, and must contain the legal description of the Lot. A recorded Claim of Lien secures payment of all assessments or charges due at the time of recording, as well as all assessments or charges coming due subsequently, including all interest, late payment fees, attorney's fees and costs incident to the collection process, until the Claim is satisfied or a final judgment of foreclosure obtained. Upon full payment of all sums secured by the Claim of Lien, the party making payment is entitled to a satisfaction.

4.6 Priority of Lien; Non-liability of Certain Acquirers of Title. Except as may be otherwise expressly provided herein or by law, the Association's lien for unpaid assessments shall be subordinate and inferior all mortgages or other liens regardless of when recorded. A lease of a Villa shall be subordinate and inferior to the Association's lien, regardless of when the lease was executed. Exception: regardless of the priority of the lien, anyone who acquires title to a Lot and Living Unit by foreclosure, or deed in lieu of foreclosure, of an institutional first mortgage (the "acquirer"), and anyone claiming by, through or under the acquirer, shall not be liable to pay any assessments or charges that came due before the acquirer's acquisition of title, other than those assessments which came due during the one hundred eighty (180) days immediately preceding the date of acquisition of title by the acquirer. Any unpaid assessments or charges which cannot be collected by reason of this exception shall be treated as common expenses, divided equally among, payable by, and assessed against, all Lots including the Lot as to which the foreclosure (or conveyance in lieu of foreclosure) took place.

VILLAS AT KINGS GATE - DECLARATION

4.7 Collection of Assessments. If the owner of any Villa fails to pay any charge or assessment, or installment thereof, within ten (10) days after the due date, the Association shall have any or all of the following remedies, to the extent permitted by law, which remedies are cumulative and are not in lieu of, but are in addition to, all other remedies available to the Association:

(A) To charge interest on the unpaid amount, from the date payment is due until paid, at the highest rate allowed by law, as well as to impose a late payment fee of up to five percent (5 %) of the delinquent amount. This fee shall not be considered a "fine" as provided for in Section 12.3 below, and the procedural requirements for levying fines shall not apply to the imposition of late payment fees.

(B) To accelerate the due date for any and all remaining unpaid installments of the annual assessment against the owner's Villa for the fiscal year.

(C) To file an action in equity to foreclose its lien. Unless otherwise required by law, the lien may be foreclosed by an action in the name of the Association in the same manner as provided in Section 718.116 of the Florida Condominium Act, as it may be amended from time to time, for the foreclosure of liens on condominium parcels for unpaid condominium assessments.

(D) To bring an action at law for a money judgment against the owner, without waiving any lien foreclosure rights. The Association may refuse to accept any tendered payment that bears a restrictive endorsement, and such will be the equivalent of no payment. Payment by check is not deemed received until the check has cleared.

4.8 Estoppel Information. The Association shall, within fifteen (15) days after receiving a written request for same, certify to any owner, prospective purchaser of a Villa, or mortgagee in writing (sometimes referred to as an "estoppel letter") signed by an officer of the Association, setting forth whether all assessments and other sums due the Association have been paid. Such certificate may be relied upon by all interested persons except the Villa owner.

4.9 Termination of the Association. If the Association no longer exists for any reason, and if no other Neighborhood Association has assumed its duties and functions, the Master Association shall have the power to perform all functions of the Association and shall be authorized to assess all owners for the cost of such services.

5. ARCHITECTURAL AND AESTHETIC CONTROL. The Developer is seeking to create a Neighborhood of architecturally harmonious homes. Among the techniques employed to accomplish this result is the use of certain carefully chosen colors for exterior paint and roof materials. In order to protect the integrity of the development plan and preserve the values of the Villas, after the initial construction of the Villas by the Developer, no owner shall make any material change whatsoever

VILLAS AT KINGS GATE - DECLARATION

in the exterior color of any portion of his Residence or any appurtenant structure, nor in the color or style of roofing materials used on the Residence or appurtenant structure, without prior written approval of Architectural Control Committee of the Master Association (the "ACC"). Except for the initial construction of Villas and related improvements by the Developer, no building, structure or other improvement shall be erected or altered on any Lot, nor shall any grading, excavation, landscaping, or other work which in any way materially alters the exterior appearance of any structure, Lot or Neighborhood Common Area be performed without the prior written approval of the Board of Directors, as well as the ACC. In obtaining the written approval, owner, or any other person applying, shall comply with all applicable requirements and procedures of the Governing Documents. Refusal to approve proposed changes may be based on purely aesthetic reasons. The membership, term of office, composition, compensation (if any), qualifications and procedures of the ACC shall be as provided in the Master Association Declaration and Bylaws of the Master Association.

6. APPURTENANCES; PROPERTY RIGHTS; EASEMENTS.

6.1 Appurtenances to Each Lot. The owners of each Lot have certain rights and obligations appurtenant to such ownership, including without limitation the following:

(A) Membership in the Association, and the right to cast one (1) vote in Association affairs, which rights shall be acquired and exercised as provided herein, and in the Articles of Incorporation and the Bylaws of the Association.

(B) The non-exclusive right to use the Neighborhood Common Areas for the purposes intended, subject to the restrictions and limitations provided in the Governing Documents.

(C) Beneficial ownership of an undivided share of the assets and common surplus of the Association equal to the owner's share of liability for the assessments levied by the Association as set forth in Section 4.2 above. The ownership of an undivided share of the common surplus does not entitle the owner to a distribution of the common surplus.

(D) Membership and voting rights in the Master Association, and the non-exclusive right to use Master Association Common Areas, subject to the restrictions and limitations provided in the Governing Documents.

(E) Other appurtenances as may be provided in the Governing Documents. The appurtenances to a Lot and Living Unit automatically pass with the title, whether separately described or not, and cannot be separated from the title to the Lot and Living Unit. The shares in the funds and assets of the Association cannot be assigned, pledged or transferred except as an appurtenance to the Villas.

VILLAS AT KINGS GATE - DECLARATION

6.2 Use and Possession. An owner is entitled to exclusive use and possession of his Lot and Living Unit. He is entitled to non-exclusive use of the Neighborhood Common Areas in accordance with the purposes for which they are intended, but no use of any Lot, Villa or Common Area may unreasonably interfere with the rights of other owners or residents. No Lot or Villa may be sub-divided or any part separately sold, leased or otherwise transferred. Every owner, and his tenants, guests and invitees, shall have a perpetual non-exclusive easement for ingress, egress and access in, to and over the walkways and private roads laid out on the Master Association Common Areas for use in common with all other owners, their tenants, guests and invitees. The portions of the Neighborhood Common Areas not used for walkways, private streets, sidewalks or driveways shall be for the common use and enjoyment of the owners and each owner shall have a permanent and perpetual easement for the use and enjoyment of such lands as common open space, subject to recorded restrictions and regulation by the Association. These easements shall be appurtenant to and shall pass with the title to every Lot subject to the following:

(A) The right and duty of the Association to levy assessments against each Lot for the upkeep, maintenance, repair or betterment of the Neighborhood Common Areas and improvements thereon.

(B) The right of the Association to dedicate or transfer or grant an easement covering all or any part of the Neighborhood Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be determined by the Board. No such easement shall materially interfere with the rights of the owners to use the Common Areas for the purposes intended.

(C) The right of an owner to the non-exclusive use and enjoyment of the Neighborhood Common Areas and facilities thereon shall extend to the members of his immediate family who reside with him, and to his tenants, guests and invitees, subject to regulation from time to time by the Association.

6.3 Title to Neighborhood Common Areas. On or before the date when owners other than the Developer first elect a majority of the Board of Directors, the Developer shall convey the Neighborhood Common Areas to the Association by Special Warranty Deed, and the Association shall accept such conveyance, subject to taxes for the year of conveyance and to restrictions, limitations, conditions, reservations and easements of record. From the date this Declaration is recorded, the Association shall be responsible for the maintenance and operation of the Neighborhood Common Areas, and any improvements and personal property thereon. The Developer shall have the right from time to time to enter upon the Neighborhood Common Areas during periods of construction upon adjacent properties and for the purpose of construction of any facilities on the Neighborhood Common Areas that the Developer elects to build.

VILLAS AT KINGS GATE - DECLARATION

THE ASSOCIATION AND THE MEMBERS ARE OBLIGATED TO ACCEPT TITLE TO THE NEIGHBORHOOD COMMON AREAS AND FACILITIES, IN THEIR "AS IS" CONDITION, WITHOUT RECOURSE, WHEN CONVEYED TO THE ASSOCIATION BY THE DEVELOPER. TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEVELOPER DISCLAIMS ALL WARRANTIES EXPRESS OR IMPLIED, IN LAW OR IN FACT, WITH RESPECT THERETO, INCLUDING WITHOUT LIMITATION, REPRESENTATIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND REPRESENTATIONS OR WARRANTIES REGARDING THE CONSTRUCTION, DESIGN, ADEQUACY OF SIZE OR CAPACITY IN RELATION TO THE UTILIZATION, DATE OF COMPLETION OR THE ECONOMIC PERFORMANCE OR OPERATIONS OF, OR THE MATERIALS, FURNITURE OR EQUIPMENT WHICH WILL BE USED IN, THE NEIGHBORHOOD COMMON AREAS AND FACILITIES.

6.4 Partition; Separation of Interests. There shall be no judicial partition of the Neighborhood Common Areas, except as expressly provided elsewhere herein, nor shall the Developer, or any owner or any other person acquiring any interest in the Neighborhood, or any part thereof, seek judicial partition thereof. Nothing herein shall be construed to prevent judicial partition of any Lot and Living Unit owned in cotenancy. The ownership of any Lot and the ownership of the Villa constructed thereon may not, however, be separated or separately conveyed, nor may any person who does not have an ownership interest in at least one Lot and Living Unit hold membership in the Association.

6.5 Easements. Each of the following easements and easement rights is reserved through the Properties and is a covenant running with the land, and notwithstanding any of the other provisions of this Declaration, may not be revoked and shall survive the exclusion of any land from the Properties. Any lien encumbering these easements shall automatically be subordinate to the rights of the owners with respect to such easements. Each Lot shall be subject to an easement in favor of all other portions of the Properties for the location of utilities, for the location of, and access for the operation, maintenance, repair and replacement of plumbing, electrical, mechanical and HVAC equipment (including but not limited to air conditioning compressors, conduits, lines, and other apparatus) which may be situated on certain lots but serves neighboring lots, for surface water drainage, for lateral and subjacent support, and for the use, maintenance, repair, and replacement of party walls, and shared structural supports, roofs, pipes, wires, ducts, vents, cables, conduits, public utility lines and other similar or related facilities serving the Properties.

(A) Utility and other Easements. The Association has the power, without the joinder of any owner, to grant, modify or move easements such as electric, gas, cable television, or other utility, service or access easements, or relocate any existing easements, in any portion of the Properties, and to relocate any existing easements in any portion of the Properties, as the Association shall deem necessary or desirable for the proper operation and maintenance of

VILLAS AT KINGS GATE - DECLARATION

the Properties. Such easements, or the relocation of existing easements, may not prevent or unreasonably interfere with the use of the Lots. The Association may also transfer title to utility-related equipment or installations, and take any other action reasonably necessary to satisfy the requirements of any utility company or governmental agency to which any such utility-related equipment or installations are to be so transferred.

(B) Encroachments. If for any reason other than the intentional act of the owner or the Association, any Villa encroaches upon any of the Neighborhood Common Areas, upon any other Lot, or any Neighborhood Common Area encroaches upon any Lot, then an easement shall exist to the extent of that encroachment as long as the encroachment exists.

(C) Ingress and Egress. A non-exclusive easement shall exist in favor of each owner and occupant, their respective guests, tenants, licensees and invitees for pedestrian traffic over, through, and across sidewalks, streets, paths, walks, and other portions of the Neighborhood Common Areas as from time to time may be intended and designated for such purpose and use, and for vehicular and pedestrian traffic over, through, and across such portions of the Neighborhood Common Areas as from time to time may be paved or intended for such purposes, and for purposes of ingress and egress to the public ways.

(D) Drainage. A perpetual, non-exclusive easement shall exist in favor of Declarant, the Association, the Master Association, and their employees or other designees for the use of drainage areas established throughout the Neighborhood, and an easement for ingress, egress, and access to enter any portion of the Neighborhood in order to construct, maintain or repair, as necessary, any drainage areas and facilities thereon and appurtenances thereto, specifically including without limitation, access over and across portions of the Neighborhood Common Areas by utility companies to utilize such areas for facilities for the transporting of treated effluents for irrigation purposes. No structure, landscaping, or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities or which may obstruct or retard the flow of water through drainage areas or otherwise interfere with any easement provided for in this Section or the use rights set forth elsewhere in the Governing Documents.

(E) Construction; Maintenance. The Developer and its agents, employees and contractors shall have the right to enter the Properties and take any action reasonably necessary or convenient for the purpose of completing the construction thereof, provided such activity does not prevent or unreasonably interfere with the use or enjoyment by the owners of their property.

(F) Sales Activity. The Developer and its agents, employees and contractors shall have an easement to use, without charge, any Villas owned or leased by the Developer, and the Neighborhood Common Areas (including, but not limited to, all recreational facilities), in

VILLAS AT KINGS GATE - DECLARATION

order to establish modify, maintain and utilize, as it and they deem appropriate, model Villas and sales and other offices. Without limiting the generality of the foregoing, the Developer and its designees may show model Villas or the Neighborhood Common Areas to prospective purchasers or tenants, erect signs On the Properties, and take all other action helpful for sales, leases and promotion of the Properties. Neither the Association nor its members shall interfere in any manner with the Declarant's right to develop, market, construct lots and villas within this Community.

(G) The easements and rights described in (E) and (F) above shall terminate upon the sale of all Villas to purchasers other than a successor Developer.

6.6 Easements for Golf. Nonspecific, nonexclusive easements are hereby created for the benefit of the users of the golf course over all Lots, Villas, Neighborhood Common Areas, and the Common Areas adjacent to the golf course, to permit every act necessary, incidental, or appropriate to the playing of golf. These acts, include, without limitation, the recovery by golfers of errant golf balls, the flight of golf balls over and across such Lots, Villas or Neighborhood Common Areas, the landing of errant golf balls upon the Lots, Villas, or Neighborhood Common Areas, the use of necessary and usual golf carts and maintenance equipment upon the golf course (and this golf course easement over as herein set out) the usual and common noises and other disturbances created by maintenance of the golf course and the playing of the game of golf, including occasional tournaments, together with all other common or usual occurrences normally associated with the existence and operation of a golf course. No golf carts are permitted on Lots or Neighborhood Common Areas for the purposes of retrieving golf balls. Neither the Declarant, the Golf Course Operator, nor the Association or any of its successors or assigns shall be liable for damage to individual Lot or Unit Owner's property from errant golf balls. The Declarant, or the Golf Course Operator, shall determine, in their sole discretion, the schedules as to what time of day golf course maintenance will occur, as well as the manner upon which repairs, renovations and replacements to the golf course property shall occur.

6.7 Waiver and Disclaimer Regarding Neighboring Golf Course. Each Owner of a Lot or Villa, by acceptance of a deed therefore, whether or not it is so expressed in such deed, is hereby deemed to acknowledge and accept the following inherent risks associated with the golf course:

- (1) maintenance on the golf course may begin early in the morning and extend late into the evening, ordinarily occurring from sunrise to sunset;
- (2) during certain periods of the year, the golf course will be heavily fertilized;
- (3) the maintenance of the golf course may require the use of chemicals and pesticides;

VILLAS AT KINGS GATE - DECLARATION

(4) the golf course may be watered with reclaimed water;

(5) golf balls are not susceptible of being easily controlled and accordingly may enter Owner's airspace, strike Owner, Owner's guests, yard, walls, roof, windows, landscaping and personal property causing personal injury and property damage; and

(6) the golf course will consist of roughs, natural areas and other golf course ancillary properties which will be maintained by the owner/operator of the golf course. The level of maintenance including the nature of mowing, pruning, trimming and other care shall be determined solely by the golf course owner/operator.

The declarant, the Master Association and its members (in their capacity as members), the developer and any successor in title to the golf course, and any agents, servants, employees, directors, officers, affiliates, representatives, receivers, subsidiaries, predecessors, successors and assigns of any such party ("Released Parties"), shall not in any way be responsible for any claims, damages, losses, demands, liabilities, obligations, actions or causes of action whatsoever, including, without limitation, actions based on (a) any invasion of the Lot owner's use or enjoyment of the Lot, (b) improper design of the golf course, (c) the level of skill of any golfer (regardless of whether such golfer has the permission of the management to use the golf course), (d) trespass by any golfer on the Lot, that may result from property damage or personal injury from golf balls (regardless of number) hit on the Burdened Property or adjacent roadways, or from the exercise by any golfer of the easements granted herein or (e) the schedule or timing of maintenance and operation of the golf course equipment.

Furthermore, each Owner of a Lot or Villa hereby assumes the risk inherent in owning property adjacent to or nearby a golf course, including, without limitation, the risk of personal injury and property damage from errant golf balls, and hereby indemnifies and agrees to hold the Released Parties harmless from any and all loss arising from claims by such Owner, or persons using or visiting such Owner's Lot, for any personal injury or property damage.

6.8 Assignment of Easements. The easements and easement rights reserved hereunder to the Developer may be assigned by the Developer in whole or in part to the Association, the Master Association, any town, county or state government or agency thereof, or duly licensed or franchised public or private utility, or any other designee of the Developer.

6.9 Irrigation Water. The owner of the adjacent golf course shall be the sole and exclusive provider of irrigation water to the Villas at Kings Gate and all lots with Villas at Kings Gate. The lots and neighborhood common area will be irrigated through an internal re-use system where irrigation water will be drawn from one or more lakes or waterbodies within the golf course and will be pumped and distributed to each lot and any neighborhood common area. The golf course owner shall be responsible for maintaining, repairing and replacing all pumps (including any recharge wells

VILLAS AT KINGS GATE - DECLARATION

and pumps) and the main distribution lines supplying water to the Villas neighborhood. All expenses for maintaining, repairing and replacing these pumps, the main distribution lines, switches and timers relating to supplying water to the Villas neighborhood shall be borne by and an obligation of the Villas at Kings Gate Neighborhood. These expenses, as well as the cost of the water supplied, shall be allocated by the owner of the golf course to the Villas at Kings Gate Association, Inc. based upon the consumptive use of irrigation water based upon the percentage of irrigation water used by the Villas Neighborhood as compared to the total amount of irrigation water consumed by the Club, the golf course and the Villas Neighborhood together. Unless the Master Association has assumed this responsibility, the Villas at Kings Gate Association, Inc. shall be solely responsible for all maintenance, repairs and replacement of all irrigation lines and sprinkler heads on the lots and/or neighborhood common area.

7. MAINTENANCE; IMPROVEMENTS.

7.1 Maintenance of Neighborhood Common Areas. Except as otherwise provided herein, the Association shall maintain, repair and replace any and all improvements constructed on the Neighborhood Common Areas, including without limitation all landscaping, the components of the irrigation systems, including but not limited to the tap into the main line, timers, switching devices and heads, drainage structures, utility lines, walkways, light fixtures, and other structures. Additionally, where the Neighborhood Common Areas are contiguous to the right-of-way of a road, the Association shall maintain all landscaping (if any) between the Neighborhood Common Areas and the pavement within such right-of-way. The Association shall obtain the written approval of the ACC before making any material alterations or substantial additions to the Neighborhood Common Areas.

7.2 Maintenance of Lots and Villas.

(a) Each Owner must maintain his or her Lot, including, without limitation, all structures, landscaping, and other improvements comprising the Lot, in a manner consistent with the Governing Documents, the Community-Wide Standard as determined by the ACC, and any, other applicable covenants, except to the extent that such maintenance responsibility is assigned to or assumed by the Association pursuant to this Declaration or any Amended Declaration or additional covenants applicable to such Lot. In addition, each Owner shall maintain the sidewalk and landscaping located between the boundary of such Owner's Lot and the back-of-curb of any roadway lying adjacent to the boundary of his or her Lot, unless the Association assumes all or part of such maintenance responsibility, and then only to the extent not assumed by the Association.

(b) The Association shall be responsible for:

(I) maintenance (including, mowing, fertilizing, watering, pruning, and replacing, and controlling disease and insects), of all lawns and landscaping installed in the Lot

VILLAS AT KINGS GATE - DECLARATION

as part of the initial construction on the Lots, specifically excluding any enclosed courtyard, patio or other area not readily accessible from outside the dwelling;

(ii) painting of all exterior painted portions of any dwelling, including any garage, garage door, exterior doors, shutters, fascia on the dwelling, and any fence or perimeter walls erected along the Lot boundaries as part of the original construction on the Lots or any replacement thereof ("Boundary Fences");

(iii) caulking of the exterior portions of all windows and doors;

(iv) clean, repair and/or replacement of the roofs (including shingles and roof decking, but no roof trusses) of dwellings and garages;

(v) pressure cleaning of front sidewalks, exterior front steps, roofs, and the exterior walls of all dwellings and garages;

(vi) repair and replacement of any Boundary Fences originally installed by Declarant;

(vii) operation, maintenance, repair and replacement of any irrigation equipment (including, without limitation, any sprinklers, pumps, wells, water lines and time clocks, wherever located) serving the Lots, except that the Association shall have no responsibility for any sprinklers or other irrigation equipment installed by the Owner or occupant of any Lot;

(viii) termite treatment of all exterior walls and foundations of dwellings and garages provided that the Association shall not be liable if such treatment proves to be ineffective;

(ix) repair or replacement of any damaged garage door and exterior door hardware, not including any garage door openers; provided, however, the cost of such repair/replacement shall be assessed against the Owner of the Lot as a Special Charge Assessment;

(x) repair or replacement of any lamp post(s) and mail kiosk originally installed by Declarant, whether on Lot or in the common area; and

(xi) repair and replacement of any fixtures or furnishings originally placed or installed by Declarant on any recreational amenity situated in the common area, if any;

VILLAS AT KINGS GATE - DECLARATION

The Association shall not be responsible for any maintenance or repairs to any glass surfaces, any screening, anything contained within any dwelling, garage, or courtyard, or any landscaping, improvements, or modifications added or made to any Lot after the conveyance of the Lot by Declarant.

All other portions of the Lots (and the improvements located thereon) shall be the responsibility of the respective Owners, including, without limitation, maintenance, repair and replacement, as necessary, of all pipes, lines, wires, conduits, or other apparatus which serve only the Lot, whether located within or outside the Lot's boundaries (including all utility lines and courtyard drain and associated pipes serving only the Lot) and all landscaping located in the rear of the Lot.

Once a Certificate of Occupancy ("CO") or a temporary Certificate of Occupancy is issued for any Unit within a Building, the Association shall then be responsible for obtaining and maintaining insurance on the entire Building in accordance with the coverage set forth in Article 9.

(c) Declarant or a builder may have constructed or installed drainage swales, drainage lines, and/or other equipment on a Lot for the purpose of managing and/or containing the flow of surface water, if any, found upon such Lot from time to time. Except to the extent that such responsibility is assigned to or assumed by the Association pursuant to this Declaration or any Amended Declaration, each Owner shall be responsible for the maintenance, operation, and repair of such drainage swale(s), drainage lines, and other equipment on his or her Lot. Maintenance, operation, and repair shall mean and include, without limitation, the exercise of practices, such as mowing and erosion repair, which allow the drainage swales, drainage lines, and other equipment to provide drainage, water storage, conveyance, or other storm water management capabilities as permitted by the Southwest Florida Water Management District. Filling, excavation, construction of fences, or otherwise obstructing the surface water flow in or into the drainage swales, drainage lines, and other equipment is prohibited. No alteration of a drainage swale, drainage lines, and other equipment shall be authorized and any damage to any drainage swale, drainage lines, and other equipment, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale, drainage lines and other equipment returned to its former condition as soon as possible by the Owner(s) of the Lot upon which the drainage swale, drainage lines, and other equipment is located.

(d) Unless otherwise specifically provided in the Governing Documents or in other instruments creating and assigning maintenance responsibility, responsibility for maintenance includes responsibility for repair and replacement. The maintenance, repair, replacement, and other obligations of the Association and Owner specified in this Declaration shall be performed as and when the Board determines it necessary to maintain the property to a level consistent with

VILLAS AT KINGS GATE - DECLARATION

the Community-Wide Standard.

7.3 Completion of Neighborhood. The Developer shall undertake the work of developing all Lots and Villas within the Neighborhood. The completion of that work, or the sale, lease, or other disposition of Villas, is essential to the establishment and welfare of the Neighborhood as an ongoing residential community. In order that such work may be completed and the Neighborhood established as a fully-occupied residential community as soon as possible, nothing in this Declaration shall be understood or construed to prevent the Developer, or the employees, contractors or sub-contractors of Developer, or of Developer's transferees, from doing whatever in their judgment is reasonably necessary or advisable for the completion of the work and the establishment of the Neighborhood as a residential community. As used in this paragraph, the words, "its transferees" specifically do not include purchasers of Lots improved with completed Villas.

7.4 Enforcement of Maintenance. If the owner of a Villa fails to maintain it as required above, the Association shall have the right to institute legal proceedings to enforce compliance, or may take any and all other steps necessary to remedy such violation, including but not limited to entering the Lot, with or without consent of the owner. The Association may repair, replace, or maintain any item which constitutes an immediate hazard to other property or residents, or which has a material adverse effect on the appearance of the Neighborhood. Any expenses so incurred by the Association shall be assessed against the owner, together with reasonable attorney's fees and other expenses of enforcement.

7.5 Negligence; Damage Caused by Condition in Villa. The owner of each Villa shall be liable for the expenses of any maintenance, repair or replacement made necessary by his negligence or intentional action by that of any member of his family or his guests, employees, agents, or lessees, only to the extent that such expense is not met by proceeds of insurance. Each owner has a duty to maintain his Villa, and the personal property therein, in such a manner as to prevent foreseeable and reasonably preventable damage to other Villas, the Neighborhood Common Areas or the property of other owners and residents. If any condition, defect or malfunction, resulting from the owner's failure to perform this duty causes damage to other Villas, the Neighborhood Common Areas, Association property or property within other Villas, the owner of the offending Villa shall be liable to the person or entity responsible for repairing the damaged property for all costs of repair or replacement not paid by insurance. If one or more of the Villas involved is not occupied at the time the damage is discovered, the Association may enter the Villa without prior notice to the owner and take reasonable action to mitigate damage or prevent its spread. The Association may, but is not obligated to, repair the damage with the prior consent of the owner.

7.6 Alterations and Additions. Funds necessary for material alterations or substantial additions to the Neighborhood Common Areas by the Neighborhood Association may be levied as special

VILLAS AT KINGS GATE - DECLARATION

assessments by the Association only upon prior approval by a majority of the whole Board of Directors and approval by two-thirds (2/3rds) of the voting interests present and voting at a meeting called for the purpose. Prior to the commencement of any such project relating to the Neighborhood Common Areas or to the buildings, the Association shall obtain the written approval of the ACC. However, if changes that are necessary to enable the Association to perform its legal duty to protect, insure, maintain, repair or replace the Properties also happen to constitute material alterations or substantial additions, no prior approval by the owners is necessary.

7.7 Pest Control. The Association may elect to supply pest control services for the inside of each Villa, with the cost thereof being part of the common expenses. An owner has the option to decline such service unless the Association determines that such service is necessary for the protection of other Villas, in which case the owner must either permit the Association's pest control company to enter his Villa, or employ a licensed pest control company of his own selection to enter his Villa on a regular basis to perform pest control services and furnish written evidence thereof to the Association. In all events, the cost of pest control provided by the Association is a common expense, so the election of an owner not to use the service will not reduce the owner's assessments.

7.8 Hurricane Shutters. Notwithstanding anything to the contrary above, the Board of Directors shall adopt, with the approval of the ACC, a model, style and color of hurricane shutter as a standard for use in the Properties. No hurricane or storm shutters except the standard model, color and style adopted by the Board of Directors and approved by the ACC shall be used.

8. PARTY WALLS.

8.1 Definition. Any wall which by definition includes any utility lines or facilities within the wall, which is built as part of the original construction of any Villa subject to this Declaration and placed on the dividing line between adjoining Villas and Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section 9, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply.

8.2 Cost of Repairs. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the owners who share the wall.

8.3 Weatherproofing. Notwithstanding any other provision of this Section 9, an owner who by his negligent or willful act causes the party wall to be exposed to the elements, or to infestation by termites or other injuries, agencies or elements, shall bear the whole cost of furnishing the necessary protection against such elements.

8.4 Contribution. The right of any owner to contribution from any other owner(s) under this Declaration shall be appurtenant to the land and shall pass to such owner's successors in title.

VILLAS AT KINGS GATE - DECLARATION

8.5 Binding Arbitration. Any dispute concerning a party wall shall be submitted to arbitration under Chapter 682, Florida Statutes. Each party shall choose one arbitrator, and the arbitrators shall choose one additional arbitrator. The decisions of a majority of the arbitrators shall bind the parties.

9. INSURANCE OF VILLAS, BUILDINGS AND OTHER LOT IMPROVEMENTS. Even though this development is not a residential condominium, it is the Declarant's intent that the Association will obtain and maintain insurance as though this development was created and developed as a residential condominium under Florida law. In order to adequately protect the Association and its members, insurance shall be carried and kept in force at all times in accordance with the following provisions:

9.1 By the Unit Owner. Each unit owner is responsible for obtaining and maintaining a standard HO6 condominium unit owners insurance policy insuring his own unit, and the personal property therein; all floor, wall and ceiling coverings; all built-in cabinets, appliances, water heaters, air conditioning and heating equipment, and electrical fixtures that are located within the unit and required to be repaired or replaced by the owner; and all alterations, additions and improvements made to the unit or the common elements by the owner or his predecessors in title. Each unit owner is expected to carry homeowner's insurance, with endorsements for leakage, seepage and wind-driven rain, additions and alterations, and loss assessment protection, or recognize that he bears financial responsibility for any damage to his property or liability to others that would otherwise be covered by such insurance. In addition to the foregoing, each Unit Owner shall be required to purchase loss assessment protection at the maximum available coverage amount.

9.2 Association Insurance; Duty and Authority to Obtain. The Board of Directors shall obtain and keep in force the insurance coverage as though this was a residential condominium governed by Chapter 718 of the Florida Statutes, as amended from time to time and under these documents, and may obtain and keep in force any or all additional insurance coverage as it deems necessary. The name of the insured shall be the Association and the unit owners without naming them, and their mortgagees, as their interests shall appear. To the extent permitted by law, the Association may self insure. Once a Certificate of Occupancy (CO) or temporary Certificate of Occupancy has been issued for any Unit within a Building, the Association shall then be responsible for obtaining and maintaining insurance on the entire Building in accordance with this Article 9.

9.3 Required Coverage. The Association shall maintain adequate insurance covering the buildings and other improvements on the individual Lots, as well as all association property, in such amounts, and with such deductibles, as is determined annually by the Board of Directors to be reasonable in the exercise of its good business judgment, such insurance to afford at least the following protection:

VILLAS AT KINGS GATE - DECLARATION

(A) **Property.** Loss or damage by fire, extended coverage (including windstorm), vandalism and malicious mischief, and other hazards covered by what is commonly known as an "all risk" property contract.

(B) **Liability.** Premises and operations liability for bodily injury and property damage in such limits of protection and with such coverage as are determined by the Board of Directors, with cross liability endorsement to cover liabilities of the unit owners as a group to a unit owner. The Association's liability coverage does not extend to accidents, injuries or deaths occurring inside Villa units.

(C) **Automobile.** Automobile liability for bodily injury and property damage for owned and non-owned motor vehicles, in such limits of protection and with such coverage as may be determined by the Board of Directors.

(D) **Statutory Fidelity Bond.**

9.4 Hazard Insurance. Every hazard insurance policy issued or renewed on or after January 1, 2004, shall provide primary coverage for:

(A) all Buildings or other Lot improvements as initially installed on a Lot or replacements thereof of like kind and quality and in accordance with the original plans and specifications or, if the original plans and specifications are not available, as they existed at the time the Building was developed and the unit was initially conveyed; and

(B) all portions of the property for which this Declaration requires coverage by the Association.

Anything to the contrary notwithstanding, the terms "building(s)," or "other lot improvements," or any other term found in this Declaration which defines the scope of property or casualty insurance that this Association is required to obtain shall exclude all floor, wall, and ceiling coverings, electrical fixtures, appliances, air conditioner or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Lot and serve only one Lot and all air conditioning compressors that service only an individual Lot, whether or not located within the Lot boundaries.

Every hazard insurance policy issued or renewed on or after January 1, 2004, to an individual unit owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property. Each insurance policy issued to an individual unit owner providing such coverage shall be without rights of subrogation against the Association. All real or personal property located within the boundaries of the unit owner's unit which is

VILLAS AT KINGS GATE - DECLARATION

excluded from the coverage provided by the Association as set forth above shall be insured by the individual unit owner.

9.5 Optional Coverage. The Association may purchase and carry other such insurance coverage as the Board of Directors may determine to be in the best interest of the Association and unit owners. Some of the more common options include:

- (A) Flood insurance.
- (B) Broad Form Comprehensive General Liability Endorsement.
- (C) Directors and Officers Liability.
- (D) Medical Payments.
- (E) Leakage, seepage and wind-driven rain.
- (F) Endorsement for loss by operation of local ordinance.

9.6 Description of Coverage. A detailed summary of the coverages included in the master policies, and copies of the master policies, shall be available for inspection and copying by unit owners or their authorized representatives upon request.

9.7 Waiver of Subrogation. If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its right to subrogation as to any claim against the unit owners, or their respective servants, agents or guests, except for any claim based upon gross negligence evidencing reckless, willful or wanton disregard for life or property.

9.8 Insurance Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association, the unit owners and their mortgagees as their interests may appear, and all proceeds from policies purchased by the Association shall be payable only to the Association. The duty of the Association shall be to receive such proceeds as are paid, and to hold the same in trust, and disburse them for the purposes stated herein and for the benefit of the unit owners and their respective mortgagees.

- (A) **Mortgagee.** If a mortgagee endorsement has been issued as to a Lot, the shares of the mortgagee and the unit owner shall be as their interests appear. No mortgagee shall have the right to require application of insurance proceeds to any mortgage it may hold against a unit, unless insurance proceeds on account of damage to that unit are not used for repairs,

VILLAS AT KINGS GATE - DECLARATION

or the proceeds exceed the actual cost of repairs or reconstruction. Except as otherwise expressly provided, no mortgagee shall have the right to participate in determining whether improvements will be repaired or reconstructed after casualty.

(B) **Deductibles.** The policies may provide for reasonable deductibles. In the case of property insurance, the deductible shall be paid by the party who would be liable for the loss or responsible for repairs in the absence of insurance. If multiple parties would be responsible, the deductible shall be allocated among them in proportion to the amount each party's loss bears to the total.

9.9 Distribution of Proceeds. Insurance proceeds from Association policies shall be distributed to or for the benefit of the Lot owners in the following manner:

(A) **Costs of Protecting and Preserving the Property.** If a person other than the person responsible for repair and reconstruction has properly advanced funds to preserve and protect the property to prevent further damage or deterioration, the funds so advanced shall first be repaid, with interest if required.

(B) **Cost of Repair or Reconstruction.** If the damage for which the proceeds are paid is to be repaired or reconstructed the remaining proceeds shall be paid to defray the Costs of reconstruction. Any proceeds remaining after repairs and reconstruction shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being paid jointly to them.

(C) **Failure to Repair or Reconstruct.** If it is determined in the manner elsewhere provided here in that the damages for which the proceeds are paid shall not be reconstructed or repaired, the proceeds on account of that damage shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being payable jointly to them.

9.10 Association as Agent. The Association is hereby irrevocably appointed as agent for each unit owner to adjust all claims arising under insurance policies purchased by the Association for damage or loss to the Development property.

10. REPAIR OR RECONSTRUCTION AFTER CASUALTY. If any part of any Building or Lot improvements which are covered by the Association's insurance policy is damaged by casualty, whether and how it shall be reconstructed or repaired shall be determined as follows:

10.1 Damage to Villa Unit Interiors. Where loss or damage occurs within the interior of one or more Villa Units, any Association insurance proceeds on account of the loss or damage shall be distributed to the owner(s) of the damaged Villa Unit(s) in shares. The owner(s) of the damaged

VILLAS AT KINGS GATE - DECLARATION

Villa Unit(s) interior shall be responsible for reconstruction and repair, and no other person, including the Association, is liable for the cost thereof in the absence of legal fault.

10.2 Damage to Buildings or Other Lot Improvements Covered by the Association's Insurance Policy. Where loss or damage occurs to any Building(s) or other Lot Improvements which are covered by the Association's insurance policy, it shall be mandatory for the Association to repair, restore and rebuild the damage caused by the loss, and the following procedures shall apply:

(A) The Board of Directors shall promptly obtain reliable and detailed estimates of the cost of repair and restoration, and shall negotiate and contract for repair and reconstruction.

Such special assessments need not be approved by the unit owners. The proceeds from the special assessment shall be added to the funds available for repair and restoration of the property.

For purposes of this provision, it shall be conclusively presumed that repair and reconstruction has begun and been completed within a reasonable period of time if substantial work is commenced within twelve (12) months following the damage or destruction, and is completed within twelve (12) months thereafter.

10.5 Plans and Specifications. Any repairs or reconstruction must be substantially in accordance with the plans and specifications for the original buildings, or according to different plans and specifications approved by the Board of Directors, by the owners of at least three-fourths (3/4ths) of the units, by the ACC, and by the Primary Institutional Mortgagee, if any. (E) Application. All monies received from fines shall become part of the common surplus.

VILLAS AT KINGS GATE - DECLARATION

13. The Master Association. By taking title to a Lot, an owner also becomes a member of Kings Gate Homeowners Association, Inc. (The "Master Association") and is subject to the terms and conditions of the Declaration of Covenants, Conditions, and Restrictions for Kings Gate as originally recorded in Book 1584, at Pages 1060-1197, in the Official Records of Charlotte County, Florida, (the "Master Association Declaration"), as it may be amended from time to time.

14. TRANSFERS OF OWNERSHIP OF VILLAS. In order to foster a community of congenial, financially responsible residents with the objectives of inhibiting transiency, protecting the value of the Villas and facilitating the development of a stable, quiet community and peace of mind for all residents, the transfer of ownership of a Villa by an owner other than the Developer shall be subject to the following restrictions, which each owner covenants to observe:

14.1 Forms of Ownership.

VILLAS AT KINGS GATE - DECLARATION

(A) One owner. A Villa may be owned by one natural person who has been approved as provided herein.

(B) Co-ownership. Co-ownership of Villas is permitted. However, if the proposed co-owners are other than husband and wife, the Board shall condition its approval upon designation of one of the approved co-owners as "primary occupant," and the use of the Villa by other persons shall be as though the primary occupant were the only actual owner. Any change in the primary occupant shall be treated as a transfer of ownership by sale or gift, subject to all the provisions of this Section 14.

(C) Ownership by Corporations or Trusts. A Villa may be owned in trust, or by a corporation, partnership or other entity which is not a natural person, if approved in the manner provided for other transfers or title. However, the intent of this provision is to allow flexibility in estate, financial or tax planning, and not to create circumstances in which the Villa may be used as short term transient accommodations for several individuals or families. The approval of a Director, or corporation or other entity as an owner shall be conditioned upon designation of one natural person to be the "primary occupant", and the use of the Villa by other persons shall be as though the primary occupant were the only actual owner. Any change in the primary occupant shall be treated as a transfer of ownership by sale or gift, subject to all the provisions of this Section 14. No more than one such change will be approved in any twelve-month period.

(D) Life Estate. A Villa may be subject to a life estate, either by operation of law or by approved voluntary conveyance. In that event, the life tenant shall be the only member from such Villa, and occupancy of the Villa shall be as if the life tenant was the only owner. Upon termination of the life estate, the holders of the remainder interest shall have no occupancy right unless separately approved by the Association. The life tenant and holders of the remainder interest shall be jointly and severally liable for all assessments and charges against the Lot. The life tenant may, by signed agreement, transfer the right to vote in all Association matters to any one remainderman, subject to approval by the Association of such arrangement. Except in the case where such a transfer has been made, if the consent or approval of the owner is required for any purpose, that consent or approval of the holders of the remainder interest shall not be required.

14.2 Transfers.

(A) Sale or Gift. No owner may effectively convey title to a Villa or any interest therein by sale or gift without the prior written approval of the Board of Directors.

(B) Devise or Inheritance. If any owner acquires his title by devise or inheritance, his right to occupy or use the Villa shall be subject to the approval of the Association. The approval

VILLAS AT KINGS GATE - DECLARATION

of the Association shall not be denied to any devisee or heir who was the decedent's lawful spouse or related to the owner by blood or adoption within the first degree.

(C) Other Transfers. If any person acquires title in any manner not considered in the foregoing subsections, his right to occupy the Villa shall be subject to the approval of the Association under the procedure outlined in Section 14.3 below.

14.3 Procedures.

(A) Notice to Association.

1. Sale or gift. An owner intending to make a sale or gift of his Villa or any interest therein shall give to the Board of Directors or its designee written notice of such intention at least twenty (20) days prior to the date of the proposed transfer, together with the name, and address of the proposed purchaser or donee and such other information as the Board may reasonably require.

2. Devise, Inheritance, or Other Transfers. The transferee must notify the Association of his ownership and submit to the Association a certified copy of the instrument evidencing his ownership and such other information as the Board may reasonably require. The transferee shall have no occupancy right unless approved by the Board, but may sell or lease the Villa following the procedures provided in this Declaration.

3. Failure to give Notice. If no notice is given, the Association at its election may approve or disapprove the transfer without prior notice. If it disapproves, the Association shall proceed as if it received notice on the date of such disapproval; however, the proposed transferee may provide the Board with the required notice and request reconsideration.

(B) Board Action: Approval. Within twenty (20) days of receipt of the required notice and all information requested, but not later than sixty (60) days after receipt of the notice, whichever occurs first, the Board must approve or disapprove the transfer. If a transfer is approved, the approval shall be stated in a Certificate of Approval executed by the President or Vice-President of the Association in recordable form and delivered to the transferee or the closing agent if the Board neither approves or disapproves within twenty (20) days, such failure to act shall be deemed the equivalent of approval, and on demand the Board shall issue a Certificate of Approval.

(C) Disapproval.

VILLAS AT KINGS GATE - DECLARATION

1. The Board may disapprove a transfer of ownership only if a majority of the whole Board so votes, after receiving a written opinion of counsel that such disapproval is for a good cause. Only the following shall be deemed to constitute good cause:

- a. The application for approval on its face indicates that the person seeking approval intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the Properties;
- b. The person seeking approval has a history of disruptive behavior or an attitude of disregard for the rights and property of others, as evidenced by his conduct in other social organizations or associations, or by his conduct as a tenant, owner or occupant of a Living Unit in Kings Gate; or
- c. The person seeking approval failed to provide the information and appearance required to process the application in a timely manner or concluded the transaction without obtaining approval.

14.4 Exception. The provisions of Sections 14.2 and 14.3 do not require Association approval of transfers of ownership by the Developer or of the acquisition of title by any acquirer who acquires title through an institutional mortgage, whether by foreclosure or deed in lieu of foreclosure; however, Association approval is required for a purchaser from such mortgagee.

14.5 Unapproved Transfers. Any sale or transfer which is not approved pursuant to the terms of this Declaration shall be void or voidable unless subsequently approved by the Board.

15. DEVELOPER'S RIGHTS AND DUTIES. As long as the Developer holds any Lots in the Neighborhood for sale in the ordinary course of business, the following shall apply, notwithstanding any other provisions to the contrary.

15.1 Developer's Use. Until the Developer has completed all of the contemplated improvements and has sold all of the Lots in the Neighborhood neither the owners nor the Association, nor their use of the Lots and Neighborhood Common Areas shall unreasonably interfere with the completion of the contemplated improvements or the sales of Villas. The Developer may make any use of the unsold Lots and the Common Areas as may reasonably be expected to facilitate completion and sales, including, but not limited to, maintenance of sales office, display of signs, leasing Villas, and showing the Properties to prospective purchasers. The Developer also reserves the right to lease back one or more Villas for use as "hospitality suites", providing short term guest accommodations for prospective purchasers or other business guests of the Developer.

15.2 Assignment of Development Rights. All or any portion of the rights, privileges, powers and duties of the Developer set forth in the Governing Documents may be assigned by the Developer

VILLAS AT KINGS GATE - DECLARATION

to any successor developer, without the consent of any other owner or any holder of a mortgage secured by any Lot. In the event of such assignment, the assignee shall assume such rights, powers and duties, and the assignee shall be relieved of further liability or obligation to the extent of the assignment. In the event of the foreclosure of any mortgage owed by the Developer, or deed in lieu of such foreclosure, the person first acquiring title to such interest by reason of such foreclosure, or deed in lieu of foreclosure, shall succeed to all rights, powers, privileges and immunities of the Developer in and to such interest.

15.3 Amendment of Documents. In addition to any other right of amendment or modification provided for in the Villa Documents, the Declarant, or any entity which succeeds to its position as the Developer of the Property described in Exhibit "A" may, in its sole discretion, by an instrument filed of record in the county, unilaterally modify, enlarge, amend, waive or add to the provisions of this Declaration or any of its recorded exhibits. The rights set forth in this paragraph shall expire when construction of the Neighborhood is completed and the Declarant no longer holds any Lots and Villas in the Properties for sale in the ordinary course of business. Any amendment made pursuant to this paragraph may be made without notice to the members or to any other person. However, no amendment shall change the shares of liability for assessments or ownership of the common surplus of the Association, or the voting rights appurtenant to any Villa, unless the owner of the Villa and his institutional mortgagee (if any) consent in writing to the amendment.

15.4 Sales or Leases of Villas. The Developer has the right to sell, lease or transfer ownership of any Villa owned by it on such terms and conditions as it deems in its own best interest.

15.5 Additions or Withdrawals of Property. The Declarant has the right and the power, but neither the duty nor the obligation, to record instruments bringing additional lands within the Community and subjecting those lands to the protective covenants, conditions, restrictions or provisions provided for in this Declaration. The Declarant also reserves the right in its sole discretion to withdraw property from submission to this Declaration, except that the Declarant shall not be permitted to withdraw any property after it has been conveyed to an owner other than the Declarant, without the joinder of the owner.

15.6 Security; Non-Liability of Declarant and Master Association. The Declarant reserves the right as long as it owns any Lot or Living Unit within the Community for sale in the ordinary course of business, to determine the level (if any) of security services to be provided, or to engage or discontinue any such services. The Declarant anticipates but does not in any way commit or obligate the Master Association to provide at least one (1) person who will provide and monitor the gated entry at the main entrance to the Community from dusk to dawn. The individual so employed will merely monitor access to the Community and in no way shall his/her services be intended to provide or assure security for the Community. The Declarant and the Master Association shall not be liable if security services are not provided.

ALL PERSONS USING OR OCCUPYING ANY PORTION OF THE COMMUNITY ARE RESPONSIBLE FOR THEIR OWN SECURITY AND THE SECURITY OF THEIR OWN PROPERTY.

THE DECLARANT AND DEVELOPER MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE PROTECTION SYSTEM AND/OR BURGLAR ALARM SYSTEMS, OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED, OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE COMMUNITY.

16. TURNOVER OF CONTROL.

16.1 Time of Turnover. The turnover of control of the Association by the Developer shall occur not later than ninety (90) days after conveyance of title to at least ninety percent (90%) of the Lots within the Properties. At the Turnover Meeting the members shall elect a Board of Directors and the Directors appointed by the Developer shall resign.

16.2 Procedure for Calling Turnover Meeting. No more than 75 days and no less than 60 days prior to the Turnover Meeting, the Association shall notify in writing all members of the date, time and place of the Turnover Meeting.

16.3 Early Turnover. The Developer may turn over control of the Association to owners other than the Developer prior to the turnover deadline set forth above by causing all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of owners other than the Developer to elect Directors and assume control of the Association. Developer may exercise the right to vote any Developer-owned interests in the same manner as any other member, except for purposes of reacquiring control of the Association or selecting a majority of the Directors.

17. DURATION OF COVENANTS; AMENDMENT OF DECLARATION.

17.1 Duration of Covenants. The covenants, conditions, and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and be enforceable by the Association, the Master Association, the Developer and any owner, their respective legal representatives, heirs, successors and assigns, for an initial period to expire on the ninety-ninth (99th) anniversary of the date of the recording of the Master Association Declaration in the public records of the county. Upon the expiration of the initial period, this Declaration shall be automatically renewed and extended for successive ten (10) year periods. The number of potential successive ten (10) year renewal periods shall be unlimited, with this Declaration being automatically renewed and extended upon the expiration of each ten (10) year renewal period for an additional ten (10) year period, unless during the last year of the initial period, or during the last year of any subsequent ten (10) year renewal period, at least three-fourths (3/4ths) of the votes cast at a duly held meeting of Members of the Association vote in favor of terminating this Declaration at the end of its then current term. It shall be required that written notice of any meeting at which such proposal will be considered, shall be given at least forty-five (45) days in advance of the meeting. If the members vote to terminate this Declaration, the President and Secretary of the Association shall execute a certificate which shall set forth the resolution of termination so adopted, the date of the meeting of the Association the total number of votes cast in favor of such resolution, and the total number of votes cast against such resolution. The certificate shall be recorded in the public records of the county, and may be relied upon for the correctness of the facts recited therein as they relate to the termination of this Declaration.

17.2 Proposal. Amendments to this Declaration may be proposed at any time by the Board of Directors or by written petition to the Board signed by at least one-fourth (1/4th) of the voting interests. Any amendments so proposed must be submitted to a vote of the owners not later than the next annual meeting.

17.3 Vote Required. Except as otherwise provided by law, or by specific provision of the Villas Documents, this Declaration may be amended at any time if a duly proposed amendment is approved by at least seventy-five (75%) percent of the voting interests of the Association present in person or by proxy and voting at any annual or special meeting called for the purpose, provided that the text of each proposed amendment has been given to the members with notice of the meeting. However, no amendment shall be effective to change the share of liability for assessments or ownership of the common surplus of the Association, or the voting rights, appurtenant to any Villa, unless the owner and his institutional mortgagee (if any) consent in writing to the amendment. Until control of the Association has been turned over to owners other than the Developer, this

Declaration may also be amended by vote of two-thirds (2/3rds) of the Board of Directors, without need for a vote of the owners.

17.4 Certificate; Recording. A copy of each amendment shall be attached to a certificate that the amendment was duly adopted as an amendment to the Declaration, which certificate shall identify the Book and Page of the Public Records where this Declaration is recorded, and shall be executed by the President or Vice-President of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the Public Records of the county.
