# Pork Loins in Mushroom Sauce

**Visit https://oldcutkitchen.com for more recipes from one of our very own Kings Gate residents.**

Ingredients
4 boneless pork loins
2 Tbsp flour
½ tsp salt
¼ tsp pepper
1 Tbsp olive oil
1 Tbsp butter
8 medium mushrooms, sliced not too thin
¼ cup finely minced onion
2 cloves garlic, minced or sliced sliced gives a more mild flavour
⅔ cup chicken broth reduced sodium is recommended
2 Tbsp white wine optional
1-2 branches fresh rosemary plus extra for garnish
3-4 sprigs fresh thyme plus extra for garnish
2 tsp soy sauce
1 tsp Dijon mustard
2 Tbsp full fat sour cream
salt and pepper to taste

---

Instructions

Pat pork loins dry with paper towel. Place loin on parchment paper. Pound with tooth side of meat tenderizer gently a few times. Flip and pound other side. Fold parchment over meat to cover both sides and pound a few more times with flat side of mallet until loin is about double the original size and half the thickness. Continue with remaining 3 pork loins.

Add flour to wide shallow plate and season with ½ tsp salt and ¼ tsp pepper.

Place wide skillet on stovetop and add olive oil. Heat to medium-high. When oil is hot, dredge each piece of pork in flour on both sides and shake off excess. Work quickly and add pork pieces to hot pan. Sear without moving meat for one minute. If not quite brown, continue for up to 30 more seconds. Flip and brown other side for 1 minute, up to 90 seconds.

Remove pork to a plate and cover loosely with foil to keep warm. Reduce heat in pan to medium and add butter.

Scatter mushrooms in pan and spread out to maximize browning. Leave undisturbed for a minute or 2, check for good colour, then turn to cook other side. Add onions and cook until onions are softening and mushrooms are reduced and well browned.

Add garlic and cook for a minute or less to prevent burning.

Pour in broth and wine (if using) and add fresh herb stems. Simmer for about 10 minutes until thickened and reduced to about half the original amount. Taste sauce and add salt and pepper if needed.

Reduce heat to medium-low and stir in soy sauce, dijon and sour cream. Add pork back to pan and nestle into sauce, spooning mushrooms over top. Cover and allow to heat through for a few minutes. Remove herb stems.

Serve over buttered egg noodles and add more fresh herbs for garnish if desired.

Fresh herbs work best in the sauce, however 1/2 tsp each of dried rosemary and thyme can be substituted.

St. Jude patient Eri'Elle, soft tissue cancer

Scan to learn more about Eri'Elle

**Every child deserves a chance to live** their best life.

When a tumor prevented Eri'Elle from walking, her mother, Angel, searched for answers. Doctors referred Eri'Elle to St. Jude Children's Research Hospital,® where she was diagnosed with an aggressive rhabdoid tumor. During treatment at St. Jude, Angel saw her daughter take her first steps – for a second time. "I'm grateful for every dollar that anybody gives because that's why my child's still here," Angel said.

**Monthly Update**
**from your HOA president, Tom Warren**

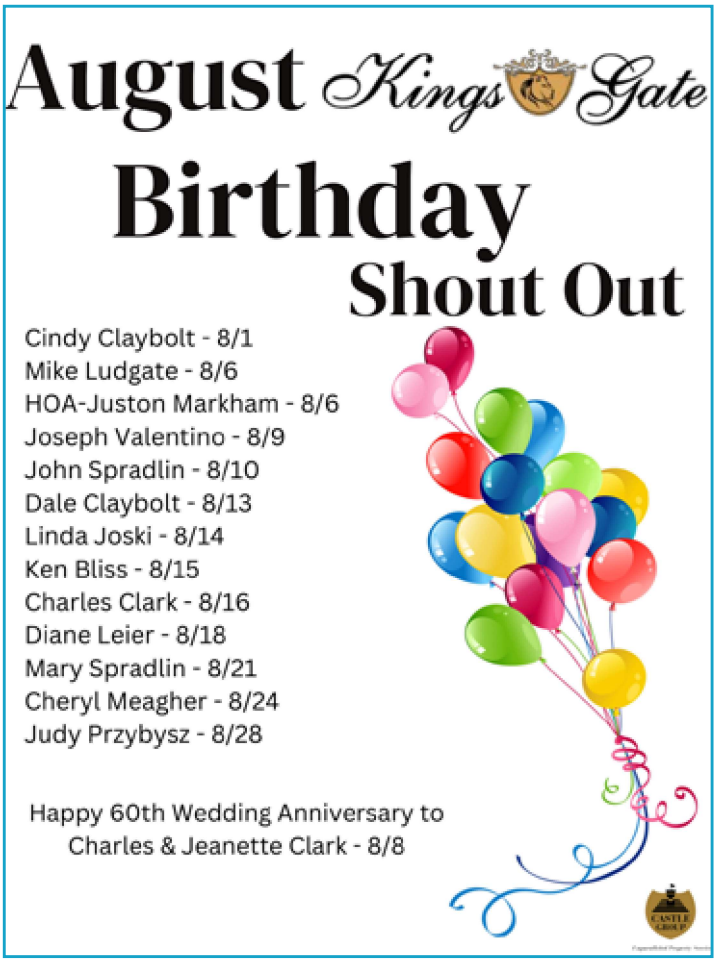

As you all know, I became president of the HOA about 2 months ago and prior to that I had been on the board for 1 ½ years. This has been an eye-opening experience and not all of it pleasant.

I love this community and want it to prosper. If we build a better community our property values go up and we all benefit. What I would ask of all the residents is have an attitude that we are ONE community. Let's support each other, the activities, the Lions Den, the golf course, the volunteers, and our common goal of keeping up our property values. Let's make this a place that we are proud to call home.

The First Thursday of the month they have a demonstration meeting from 6:30 to 9:00 PM at the Price House at the Punta Gorda History Park; 501 Shreve St., Punta Gorda. They have for their members the turning equipment to make your projects! They are open every Sunday at the Greens Market and have their works on display and for sale. Take in the beauty of Miami, as you browse the unique galleries, specialty shops, and designer boutiques. Next, with your Guide, you'll enjoy a visit to the amazing CORAL CASTLE. Built by one man from 1923 to 1951, Edward Leedskalnin single-handedly and secretly carved 1,100 tons of coral rock. When Ed was 26 years old his heart was broken by his one true love when she canceled their wedding just one day before the ceremony. Deeply saddened by this tragic loss, Ed set out on a lifelong quest to create a monument to his lost love that is now considered one of the world's most remarkable accomplishments. Tonight, you'll enjoy Dinner with Live Entertainment.

Day 4: After a Continental Breakfast, you will enjoy a visit to the beautiful oceanfront HOLLYWOOD BEACH "BROADWALK", named one of America's best beach boardwalks. Admire the Atlantic Ocean while strolling this brick-paved promenade or relax at one of its many cafés and eateries. Then, depart for home... A perfect time to chat with your friends about all the fun things you've done, the great sights you've seen and where your next group trip will take you!
