# Boards Corner

The purpose of this report is to provide a brief synopsis of my activities as an HOA Board Director.

1. Landscaping: I met with President Sloan, Secretary Iannace, and four members of Down to Earth Landscaping to review the potential contract given the release of GAEA. I suggested an addition to the contract of the exact reporting forms to be used to ensure contract compliance. The forms will be drawn up for our approval. No more wondering if things got done. A system will be provided to ensure residents are informed upon the completion of work orders.
2. At the direction of President Sloan I took over the completion of the BOCCI CONTRACT with US Tennis and Recreation. I reviewed the contract and spoke with US Tennis POC 'Danny'. I insisted we receive drawings/diagrams of the exact work to be completed and a description of what five (5) and one (1) year warranties include. We met the week of February 13. I hope to move up the completion of the contract from the previous April time frame to March.
3. I met with Bocci leaders on February 6 to discuss improvements to the area. The steel bench will be painted. Other benches that fit the criterion of benches donated to the Lawn Bowling area could be approved according to President Sloan.
4. I toured the pool and weight room and bathrooms with President Sloan who briefed me on the changes needed. I suggested signing at the pool for emergency notifications along the wall to be enlarged so it stands out better.

Respectfully,  
Phil Chapman  
HOA Director

# What's Happening

Spring is in full swing at Kings Gate Golf Club. As we welcome March, we'd like to take a moment to reflect on a wonderful February here at the club. From great golf days to memorable dining moments, it was truly a month worth celebrating.

February brought cooler weather, strong participation in club activities, and plenty of reasons to gather with friends and fellow members. Our Valentine's celebrations were a highlight, and it was great to see so many of you enjoying dinner specials, friendly competition on the course and enjoying the KG HOA Prom. Thank you to everyone who joined us and helped make the month such a success.

Now, March arrives with longer days, warmer sunshine, and exciting opportunities ahead. The golf course is in fantastic condition, making it the perfect time to get out and play, sharpen your game, or join upcoming events. Whether you're walking nine holes or settling in for a full round, spring golf is officially here. March offers our CanAm tournament which sold out the first day it went on sale, our annual Luck of the Irish Golf Tournament on the 14th, and a Happy Hour Putting on the 29th.

In the restaurant, our team is ready to welcome you with seasonal favorites, fresh flavors, and great service. The Lion's Den is looking forward to some great events, with just some listed below!

March 5 – Mix & Mingle with Ron Lorenzo

March 8 – International Women's Day with an amazing Drink Special

March 15 – Show Me the Money

March 19 – Pasta Action Station with Stevie B.

March 20 – National Ravioli Day with a Ravioli Dinner Special

We look forward to another lively month filled with golf, great food, and community. Please note that all events are subject to change.

### Spotlight on Lea Warner

Meet Lea –  
General Manager of the  
Golf Course & Lion's Den

Lea serves as the General Manager of the Kings Gate Golf Course and the Lion's Den. She joined Kings Gate during the Pope Management era and continued in her role through the transition to Hampton Management. Benderson Corporation owns both the golf course and restaurant, with the management company operating them on Benderson's behalf. Prior to joining Kings Gate, Lea was the General Manager of Twin Isles Country Club in Punta Gorda.

A Sarasota native, Lea is married, has three adult children, and her beloved "soul" dog. She truly enjoys working at Kings Gate, sharing that no two days are ever the same and that the people she works with make it a great place to be. Lea believes the golf course and Lion's Den are valuable amenities for the community—whether you enjoy golfing, watching the action, or dining close to home with no worries about the drive.

Lea has also shared several exciting ideas for the future, including creating a year-round outdoor dining patio, adding a tiki bar at the pool, and hosting weekly drumming events.

As Kings Gate continues to evaluate future ownership options for the amenities, golf course, and Lion's Den, Lea wants residents to know how much she loves this community and appreciates its people. She wishes the community continued success as we look forward to whatever exciting opportunities lie ahead!

## Veterans Interview

Stephen Shataka served in the US Navy from August 4, 1969, through August 3, 1973 joining directly from high school where he showed a keen interest in auto repair. The Navy recruiter snapped him right up and provided him with Boot Camp at Great Lakes Naval Air Station in Chicago. Given his background in auto repair, Steve served as an 'Aviation Safety Structural Mechanic', AME2, reaching the Rank of E-5. Posted at Miramar, CA, in San Diego he provided repair and installation of safety equipment which included A/C, ejection seats, and oxygen systems on A-4 Skyhawks, A-Vigilantes, A-6 Intruders, F-8 Crusaders, and F-4 Phantoms.

Steve proudly served the Navy's Western Air Fleet. He serviced planes destined for Navy carriers and The Republic of South Viet Nam. He described his life on base as good. Due to the housing shortage, he lived off base renting for about \$100.00 a month. (ha) He learned to love Taco Bell right before pay day. :) He described Mira Mar "Fighter Town USA" (which later to become the home to Top Gun) very positively as 'unlike any other air station'. He added; "the atmosphere remained relaxed, with officers grateful and friendly for the maintenance of their planes' life support and safety systems. They knew we held their lives in our hands."

Mira Mar hummed 24/7, 365 due to the Viet Nam Conflict. It was the station that never slept. He found townsfolk friendly as they knew the air station brought great wealth and jobs to its inhabitants. He shared an apartment with a lifelong friend from KY. His roommate, a 'Country Boy' treated him 'fried and fricasseed' Western Diamond Back Rattlers and rabbits shot along the rolling hills and horse trails surrounding Miramar. (Yum)

Steve credits the Navy with the training and experience that provided him specialized and lifelong work. He learned a trade that provided employment American, Continental, Eastern, NY, and Reno Airlines. Mr. Shataka finished an illustrious career with the Federal Aviation. His professionalism and deep expertise provided safety in America's commercial aviation fleet.

To conclude, E -5, Steve Shataka, a loyal patriot, helped preserve our freedoms in difficult and tumultuous times. one must suppose his fealty to God and Country, helped save the lives of Navy Pilots around the world. The following words from Mt. 25: 21, 23 come to mind; "Well done good and faithful servant."

Respectfully Submitted,

Phil Chapman

Welcome to Kings Gate, Ed and Connie East! Let's give a warm welcome to our new Kings Gate residents, Ed and Connie East! They recently moved into 24421 Manchester Trail.

Born and raised in Indiana, Ed and Connie were high school friends who married in 2007. More recently, they lived in Tennessee, and after retiring, they began searching for an active 55+ community. Although they looked in the Chattanooga area, they couldn't find one with the right combination of amenities and activities—so they turned their attention to Florida.

With friends and family already in the state, plus a love for the sunshine and beaches, Florida felt like the perfect fit. For several years, they were “sunbirds,” renting in Palmetto, where they especially enjoyed the beaches. While they loved that community, they desired a larger neighborhood with more amenities—and we're so fortunate they chose Kings Gate!

Ed served 20 years in the U.S. Navy as a machinist mate aboard ships. After retiring from the Navy, he worked for Unilever as an industrial maintenance mechanic, retiring three years ago. Connie worked as an Office Manager for Rapac, a company that recycles polystyrene to produce expandable pellets—like packing peanuts. Connie retired 4 years ago and is very interested in volunteer opportunities in this area.

Ed and Connie are excited to dive into all that Kings Gate has to offer. They're energetic, easy-going, and love meeting new people. Please join us in welcoming them to our community!

Meet Your Neighbor: **Ralph Kolasinski**

"You are never too old to set another goal or to dream a new dream" ~ C.S. Lewis

Ralph Kolasinski and his wife of 45 years, MaryKay, have been King's Gate owners since 2016. He is a man of many talents – former prosecutor, college adjunct professor, high-school basketball referee, motorcycle enthusiast, served on a city council, and a eucharistic minister.

He is also very active by working out, fishing, swimming, playing pickleball, a voracious reader, and LOVES traveling with his wife, especially with 10 river cruises to Europe (and has many beautifully framed photos he has taken of their excursions). It cannot be denied that he likes to be active and learn new things.

However, he has "discovered" his new obsession: woodturning!

Ralph became interested in wood crafting while a young boy when his parents bought new furniture and placed their previously owned wood furniture in the basement. While in grade school, he lovingly stripped and re-stained the old furniture, transforming forgotten pieces into treasures with patience and care.

This early fascination with wood's texture and grain planted the seeds for a lifelong passion that lay dormant until almost 2 years ago (summer of 2024), when his desire to pursue working with wood emerged, which was a total surprise to MaryKay.

Joining the Peace River Woodturners, Ralph discovered a deeper purpose in his craft of woodturning. One of the group's missions—creating delicate, handcrafted urns for "Kaden's Cause"—touched his heart. Each urn, shaped in memory of children lost too soon, becomes a vessel for love and remembrance. His first covered piece, donated to this cause, stands as a testament to his belief in using art to support grieving families and honor cherished memories.

He sees the grain of each piece of wood as unique and beautiful. He states that woodturners use their imagination to "develop, highlight, and exhibit God's creation" – referencing the Bible's book of Genesis in which God created plants and trees on day 3 of creation.

Inside the Kolasinski home, you'll find it alive with stories—each room graced by handcrafted bowls, vases, and furniture, their polished surfaces gleaming with the unique patterns of the wood's grain. Among these treasures are the multiple pieces Ralph restored as a child, lovingly preserved as a reminder of where his creative journey began.

If interested in learning woodturning (and other handcrafted artworks), consider seeking mentorship or joining a local group such as the Peace River Woodturners in Punta Gorda at 501 Shreve Street. Learn more about "Kaden's Cause," a charity supported by woodturners who create urns in memory of children. More information is available at <http://www.kadenscause.org/>.
